Title:
[Art Cologne Picks: Bouke de Vries](#)
Author:
happy famous artists
Content:

[Bouke de Vries](#) is a Dutch artist with a background in design and restoration of ceramics. On [Art Cologne](#) we saw a couple of his works on the booth of the Japanese gallery [Super Window Project](#). There is something fascinating in this broken pieces approach: it turns what is broken into - in our eyes - even more beautiful objects and it transforms the old or even kitsch into something contemporary. #like!
